www.theinfocity.net

"Gujarat has embarked upon creating necessary infrastructure facilities for setting up IT projects."

Advantage of Gujarat

Advantage of Gujarat

- ❑ Gujarat is fast emerging as ideal destination for IT, ITES business to scale new heights.
- ❑ Drivers include a business friendly environment, relatively lower real estate and manpower costs.
- ❑ Human resource advantages stem from high education standards, better productivity and the country's lowest BPO attrition rate.

Advantage of Gujarat

- ❑ Infrastructure scores high with nearly 100% power and connectivity up time.
- ❑ All these translate into shorter lead and delivery times for the project.

Advantage of Gujarat

- Investor friendly IT Policy
- Fastest growing hub of peripheral industries of IT
- Land bank availability for industrial use
- Robust Physical, Social and industrial infrastructure
- Pro active governance
- Lowest cost of living, real estate & lower cost of human resources
- Flexible labor laws

Advantage of Gujarat

- ❑ One of the lowest start-up and operational costs in India
- ❑ 24X7 uninterrupted power supply
- ❑ 10 IT/ITES SEZs and growing
- ❑ India's Largest Coastal line with 41 Ports
